Over 500 attend Logan Park's Earth Day celebration

The Carroll Township team, which consisted of five substitutes and one police officer, weighed 1,364 lbs. while the Dillsburg Police team weighed 1,162 lbs.

Over five-hundred people turned out last Sunday for the 1st Annual Logan Park Earth Day celebration, held at bragging rights over Carroll Township in the softball game, but lost to the Dillsburg earned Borough in a controversial tug-of-war. The competitions were sparked by the park's being half in the Township and half in the Borough.

A trophy, donated by William Schrack, a Dillsburg lawyer, was presented to the Dillsburg team. The "Logan Cup" will now be kept at the Borough office. However, should Carroll Township beat Dillsburg next year, the cup will go to the Carroll Township municipal building.

Unfortunately, scheduled balloon rides were never got off the ground due to wind. Instead, Dillsburg Citizens Hose #1 offered rides in their new bucket truck, up to 75 feet into the air.

Relay games and different activities for the children were available.

Organizers of the event said they were pleased with the turnout. John Creavey, Borough council president, said he "Wanted people to know the park is here." He said he expects it to be even bigger and better next year, as more is added to the day's festivities.

There is a lot of work ahead yet for the Logan Park Authority. Money must be raised to build a fit trail, softball fields, swing sets, etc., for the now freshly mowed hay field to become a park. Vice President Lisa Richardson said over $800 had been raised at last Sunday's event.

The Logan Cup Trophy is presented to Dillsburg softball team Captain Scott George by attorney Bill Schrack. Sharing in the festivity are councilmen Rick Baker, John Richardson, Jr. and John Creavey, Jr.

Amid cries of foul and controversy, Carroll Township's "Police" tug-of-war team soundly defeated Dillsburg Police in a tug that lasted only a few seconds.

Several high school students were sold at a Roman slave auction to raise money for Logan Park. The students agreed to do chores such as oven cleaning, window washing, lawn mowing and car washing. Pictured above is Tammy Leitzel who was purchased for $10 to clean for a day at Lee Myers' house. State Rep. Bruce Smith, who acted as acutioneer, accepts the fee from Lee as Brad Vogelsong looks on.

4th Annual Countryside Classic bike trek

Plans are well underway for the Fourth Annual Countryside Classic Bike Trek sponsored by the American Lung Association. The Countryside Classic is a three-day trek, with a two-day option. It is a long distance bike tour that begins in Duncannon, PA and ends in Huntingdon, PA. This year the Countryside Classic will be held on June 23-25. Any person in good physical condition can participate and bikers under 16 must be accompanied by an adult.

The trek is a scenic way to enjoy the scenic countryside of Pennsylvania. Starting in Duncannon the trekkers will bike approximately 50 miles per day and will spend the first night at the Holiday Inn, in Lewistown, then on to Raystown Lake to camp the second night. There is a $25 registration fee which is applied to the pledge amount of $250 that is required to ride. Accommodations, train ride, and meals are included.

Bikers are encouraged to ride at their own pace during the trek. The Countryside Classic Bike Trek gives the beginner and more experienced cyclist an opportunity to enjoy a hassle-free weekend.

The three day trek is fully staffed, including a communications system, mechanical support, medical services and sagwagons.

The bike trek is a fund raiser for the American Lung Association as all proceeds will help us continue our fight against lung disease.

Registration deadline is June 11. For further information and registration, contact the American Lung Association of South Central Pennsylvania at 845-LUNG, or 1-800-351-1512.
